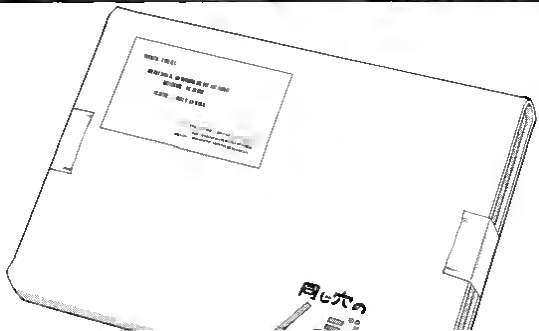
Sigh
Even though it's Christmas I can't even eat cake
One piece should be fine,
Right?
No! That amount of sugar and fat is not good for me!
You eat it!
If you say so
But sit next to me while you do
That'll make it hard to eat
I'm feeling anxious about it
You really ate it by yourself?
HOH
もぐ
もぐ
もぐ

I got you a present!
Here look!
That's not it!
Wha... but you said...
You're always like that!
You don't understand my feelings!
Organic cotton baby wear
This is not a Christmas present!
This is for birth celebration!!
Really
!?

Huh?
Oh
It's coming along well
The baby?
At first I thought it was cramps
But it does this once a day
Hm?
I'm already past the risk period
Which means we can totally have sex again
.....
Why haven't we done it at least once since I got pregnant?
Eh... umm...
I mean...
When I think about the baby inside you
I just can't do it okay?
You're so lame
But I don't dislike
That part of you
So I don't have any likeable parts
.....

Hehe
I also have a gift for you
Um?
.....
Do you want to see?



I got you a 10 point set of porno doujinshi of that anime you're really into now.
Phew!
The otaku sure have it easy!
No worries about infidelity
Is she trying to tell me to take care of myself?
But...
I already have half of these.
So you already used them!?
The end

HOBO-1

To birth it takes about one year...
Normally from the time of conception
I wonder if it'll be small after all this.
What that's?
Welcome home

Err Well...
It's not strange for new ones to show up at ComiFest...
Not always though
My Christmas present to you completely missed the season.
Are those all new?
...but when I look at this.

Did you hang out with everyone?
Yeah. We were all there more or less
We went to eat afterwards
So,
It was all otaku talk then?
Sounds fun
Haha nah
Not like everyone is employed.
That's why you should have come as well
I'm kidding
I wouldn't want tension in the air because I sat next to my ex-boyfriend
Hm...
... Muh

Huh...?
What?
Who?
Hey...
You're not making me say this on purpose, right?
You tend to be masochistic sometimes you know.
...Alright then if that's not the case...
Okay.
Okay!
When things get like this come sit next to me right away!!

This is your kid inside me
So be a little more confident, ok?
Ah Umm Alright
I don't know if it's karma?
That I ended up with 2 otaku guys back to back
But that's how I learned to interact with you

Like right now you're thinking, "I just got back from ComFest don't get all clingy".
That's why I'll say this...!
.....
No not at all
I know you're always telling me to go to sleep first so you can make time for yourself...
That's why I can tolerate your doujinshi and porn games.
Umm no that's
Hm?
.....

Wha..
W-W-W-What are you doing!?
わわわわ
What do you mean "What?"
Y-- really have some true cats
You know that right?
EEH!?
Eh but..
I gave you porno doujinshi for Christmas...
And you thought "Is she telling me to take care of myself" right!?
Is that how you really look it?
Like I was saying "Choose me"
That's what you were thinking right!?

How would you know I mean you just came up with that now right!
HEY SHUT UP. YOU'RE A MAN BE MORE HONORABLE.
Huh? What's with that monotone voice!?
This kid still doesn't know anything
For example like if you cum inside me...

Hold up...
No!
No! No!
No! No!
ナデ
But for me something like that is!!!!
I've never done such a thing!
I know there are certain porn games like that...
Like the kind where you impregnate girls
At least say normal porn...
Huh?
Oh...
Fin

HOBO-1

Are we really going?
Yeah
To Mt. Narita.
It's the first shrine visit for the New Year.
It's going to be really crowded
I know
The stairwell is steep too
I also know that
That's why we're holding hands right?
If anything happens you'll protect me right?
I'LL DRAW ABOUT THE ANXIETIES OF A NEWLY WED WORKING OTAKU AND HIS ORDINARY PREGNANT NEW WIFE
Yeah as much as I can...

You wouldn't even hold my hand in front of other people until I got pregnant.
Aren't you glad you found a worthy cause?
Unh...

Well...
Even while saying that...
MY REAL OBJECTIVE IS TO TAKE HIM TO A LOVE HOTEL...!!
LET'S GO TO THAT HOTEL!
HUH... OKAY!
I'll do my best with my lines
If we go there,
He won't be able to run away...
I even brought that pair of panties he likes so much...

I'll forgive him for the doujin he just bought...
But... nevertheless
Refusing me is...
UNFORGI-YABLE ..!!
I know he's concerned about the baby
NOW LET'S DEPA...
Ouch !
Wha...
What is it?
My stomach suddenly cramped up
.....

EEEEEEH!?
YEEOOWCH!!
.....
.....
IT CAN'T BE...
ARE YOU GOING INTO LABOR!?
NO THAT SHOULD NOT BE THE CASE
IT'S STILL TOO EARLY
A-ARYWAY FOR THE TIME BEING,
TAKE ME TO THE USUAL HOSPITAL .!!
A-ALRIGHT GOT IT!!
ギャギャギャギャ

O-Okay
Can you drive slower
I'm sorry
But...
That's really...
I can't drive one handed though...
Can you hold my hand...?

Other than when making burns
AND THEN..
.....
JUST AS THE HUSBAND RETREATS LIKE A SHRIMP
Scary!
I know it! A fetus is scary!
The hotel and the trip to Mt. Narita are all ruined because of that ?
What ? Are you serious ?
IT'S IN THE EARLY STAGES.
THE STOMACHACHE TURNED OUT TO BE THE BABY KICKING.

HOBO-1

HAVE I NOT DONE EVERYTHING!!
Ah I knew it, so this your image of the otaku?
I-I mean I've even dressed up as an anime character
I think that's something you shouldn't do the most...
With that

What the hell
In any case you're always being reserved when it comes to me right?
But don't you have something you want to try,
Or an item you want to use?
Uhmm.....
Is this a death flag?
Oh speaking of which weren't you hiding some SGM DVDs a while back
So you're into that right
Well SGM is impossible right now though
U-Uh no I threw those out right away
I can't do it
Huh
ドキ...
Wh-What is it?
ドキ
Well I'll be honest with you,
Since you brought up the subject,
I thought of something just now
Well I wonder if I should request this...
When it comes down to it, this might be a little scary
Oh crap
ドキ

I want you to wear STRIPED PANTIES ...
I guess

W-Why did you have these?
Well...
They were selling them in Akihabara a while back
Y-You like it?
Yeah Otaku do for the most part
Try Lolli
Does...
Does it sexually rejuvenate you...?
Well...
Yeah of course.

I think right now is the peak of my life.

Because of the pressure on the bladder
Whoops
Whet's been eating you for a while now?
Err, I don't even know anymore...

That girl is stubborn right?
Come again?
The truth is you have a name in mind that you want to use,
But I think you're holding back for her and won't tell her...
I looked up names that would interest you.
So if you have any other choices, could you tell me now?

No... um,
Thank you.
I'm glad...
But that's... I had no intention of taking it from an anime.
Uh,
Miso.
Phew
I love her name...
So you don't like DQN names huh
Where did she learn words like that
Sory for tha wait--
So pick a normal one... you don't have to act odd on purpose...
Please ma'am

DQN NAMES=SLANG FOR BIZARRE BABY NAMES.

So what should I pick...
One with...
A simpler ring to it...
Today is sunny (hare)...

Haru.

How about HARUMI ARIAKE?

Now it's comiket?
Why does it sound like a Pull name?

T/N: Adaptation of a quote by the Han Dynasty official Yang Zhen. When a man attempts to bribe him, saying that nobody would know, he replied: "The heaven would know, the earth would know, I would know, and you would know."
Father and son would probably end up enjoying the same series, wouldn't they.
Mmmm
But if it's a boy, well, you know... Right?
Well, I figured if it was a girl, she'd take after you and just sort of dryly accept it and look the other way.

Umm.
Hey, uhh
Did I make you mad?
What ever made you think that?
I'm not angry at all. I was just wondering to myself whether it's really alright for someone whose first thought on hearing "it might be a boy" is for his doujinshi to be a father.
Ack
I knew it, I did make you mad.
Sorry I'm really really sorry
Don't.
... If you're really that against having a boy, we could get an abortion.

I don't really know if I've got what it takes to raise a son right.
It's just that, well,
When I think of having a son, there's that jealousy at having a guy other than me living here,
and besides that, like I told you before....
Is that it? Honestly, you worry over the dumbest things
Ouch... You're being really harsh on me, aren't you?
I'm just fully aware of how hopeless I am as a role model, that's all.
But think about it this way. Your parents are perfectly normal
They're not otaku-ish at all...
So it's nobody's fault but your own that you grew up into such a hopeless otaku
It's your life, so it's your fault
Be-sides

You used to be a hopeless otaku,
but now you're married, you've had sex, and you've even gotten your wife pregnant with your kid.
How would you explain this incredible turn of events?
You say you don't think you can raise your son right,
but you're not going to be raising him alone. I'm here, too.
It doesn't matter what you were like before
You know, if you'd told me this'd happen a few years ago, I never would've believed it.
Back then, I thought you were pretty pathetic, too.

I wonder what our son will think,
What you do is waste endless time, and then you end yourself up crying
What's this for grown-ups here? Pfft!
Are you really expecting me to take this seriously?
Oh, look, now my parents're mad on a video games!
I wonder is there any way anyone could possibly waste their time more than you're doing right now!
How much of your life have you wasted playing games, anyway?
Huh? Hey, your life has been video games!
NOW
seeing his mom nagging his otaku of a dad day in and day out?

Anyway You get it, right?

We're going to raise him together

He's our baby, after all.
It doesn't really matter whether the baby's a boy or a girl.
We're not in any position to complain about that.
Yeah
Yeah, you're right
I absolutely agree
Absolutely
Oh, but actually,
let me just say one thing.

I really would've liked to raise a little girl...
GROSS.
You are so gross.

The next checkup, it turned out the baby was a girl.
False alarm.
I mean, I'll be totally fine with a boy or a girl...!
That's not what I
Hey, wait
I hope for your own sake that you're born as a boy
Hey, your dad is really gross, you know that?

Well, I'm actually trying out the supplement method this time around
Switching between breast milk and formula to feed the baby
Oh... So that's better after all, huh?
I'm guessing breastmilk only is too demanding?

Hmm?

Well, then have you, umm, tried going for his morning wood
He's got really low blood pressure
I've never seen it standing up in the morning
Well then

I guess there's no option left but to whip out the cosplay.
I'm guessing you left that for last in some misguided attempt to preserve my dignity.
but cosplaying as anything with a stomach like this would probably be an insult to the character
And the only time he really showed a reaction was when I put on striped panties but that time I ended up getting mad and called an end to it
OK

You know there's no such thing as a man...
...Who can resist when a woman decides to seduce him for real, right...?
You know
He's just such a wimp...
Hmmmm
I wonder...
What?
To be honest
Okay, let's switch sides one more time

That doesn't change anything. 30 sec-onds!
59 sec-onds!!
You really don't want to go into minutes, huh.

After negotiating it became three minutes.
haah
haah
...Well, then.
Take your pants off.
All right!!
...You took it off in one go and on top of that, put glasses on...
So fast even though you're wearing a cast.
Then stand...
in front
thrust
Wha...
Turn off the lights...!
Oh... all right?
blush
Seriously...

It's already so stiff.
...it's been a while since I've seen it like this...
Make sure you time it for 3 minutes!
If it goes even a second later I won't do it ever again!
Oh... okay.
...Fufu
...Well

If he gets in the mood,
I might just do it a bit longer.

HNGGH

Huh
krih
krih
krih
BAM
SHH
SHH
SHH
GRAB
...ku
...ha
...hs!
ha...

Excuse me.
EXHALE
I only breathed on it and nothing else...
Ah, yeah.
That's true.
rustle
rustle
...Well, I guess it was either I had a lot built up
or I was just too excited...
...Well, that
saves me time,
but
erm...

LIMP...
...
...
Probably not.
and I'm sleepy
Ahh
It won't get hard anymore?
...
What the hell?!
You got me in the mood and...
GET HARD!! Right now!!
No, I can't do it repeatedly...
Huhh?! You come multiple times with your eroge and doujinshi.
Do it like that!
That's a fantasy...
Besides, why are you angry?
Ugh...
The End
